

Cyber Report

About This Report

The Building Underwriting Report provides comparative and loss estimate analytics, key attributes of the building associated with fire and wind/hail loss, along with photos and aerial imagery of the building, and other important information related to the property including the location and the business operations.

Verisk supplies individual property information for this report based on a full on-site survey performed by highly trained field staff and complemented by other data sources.

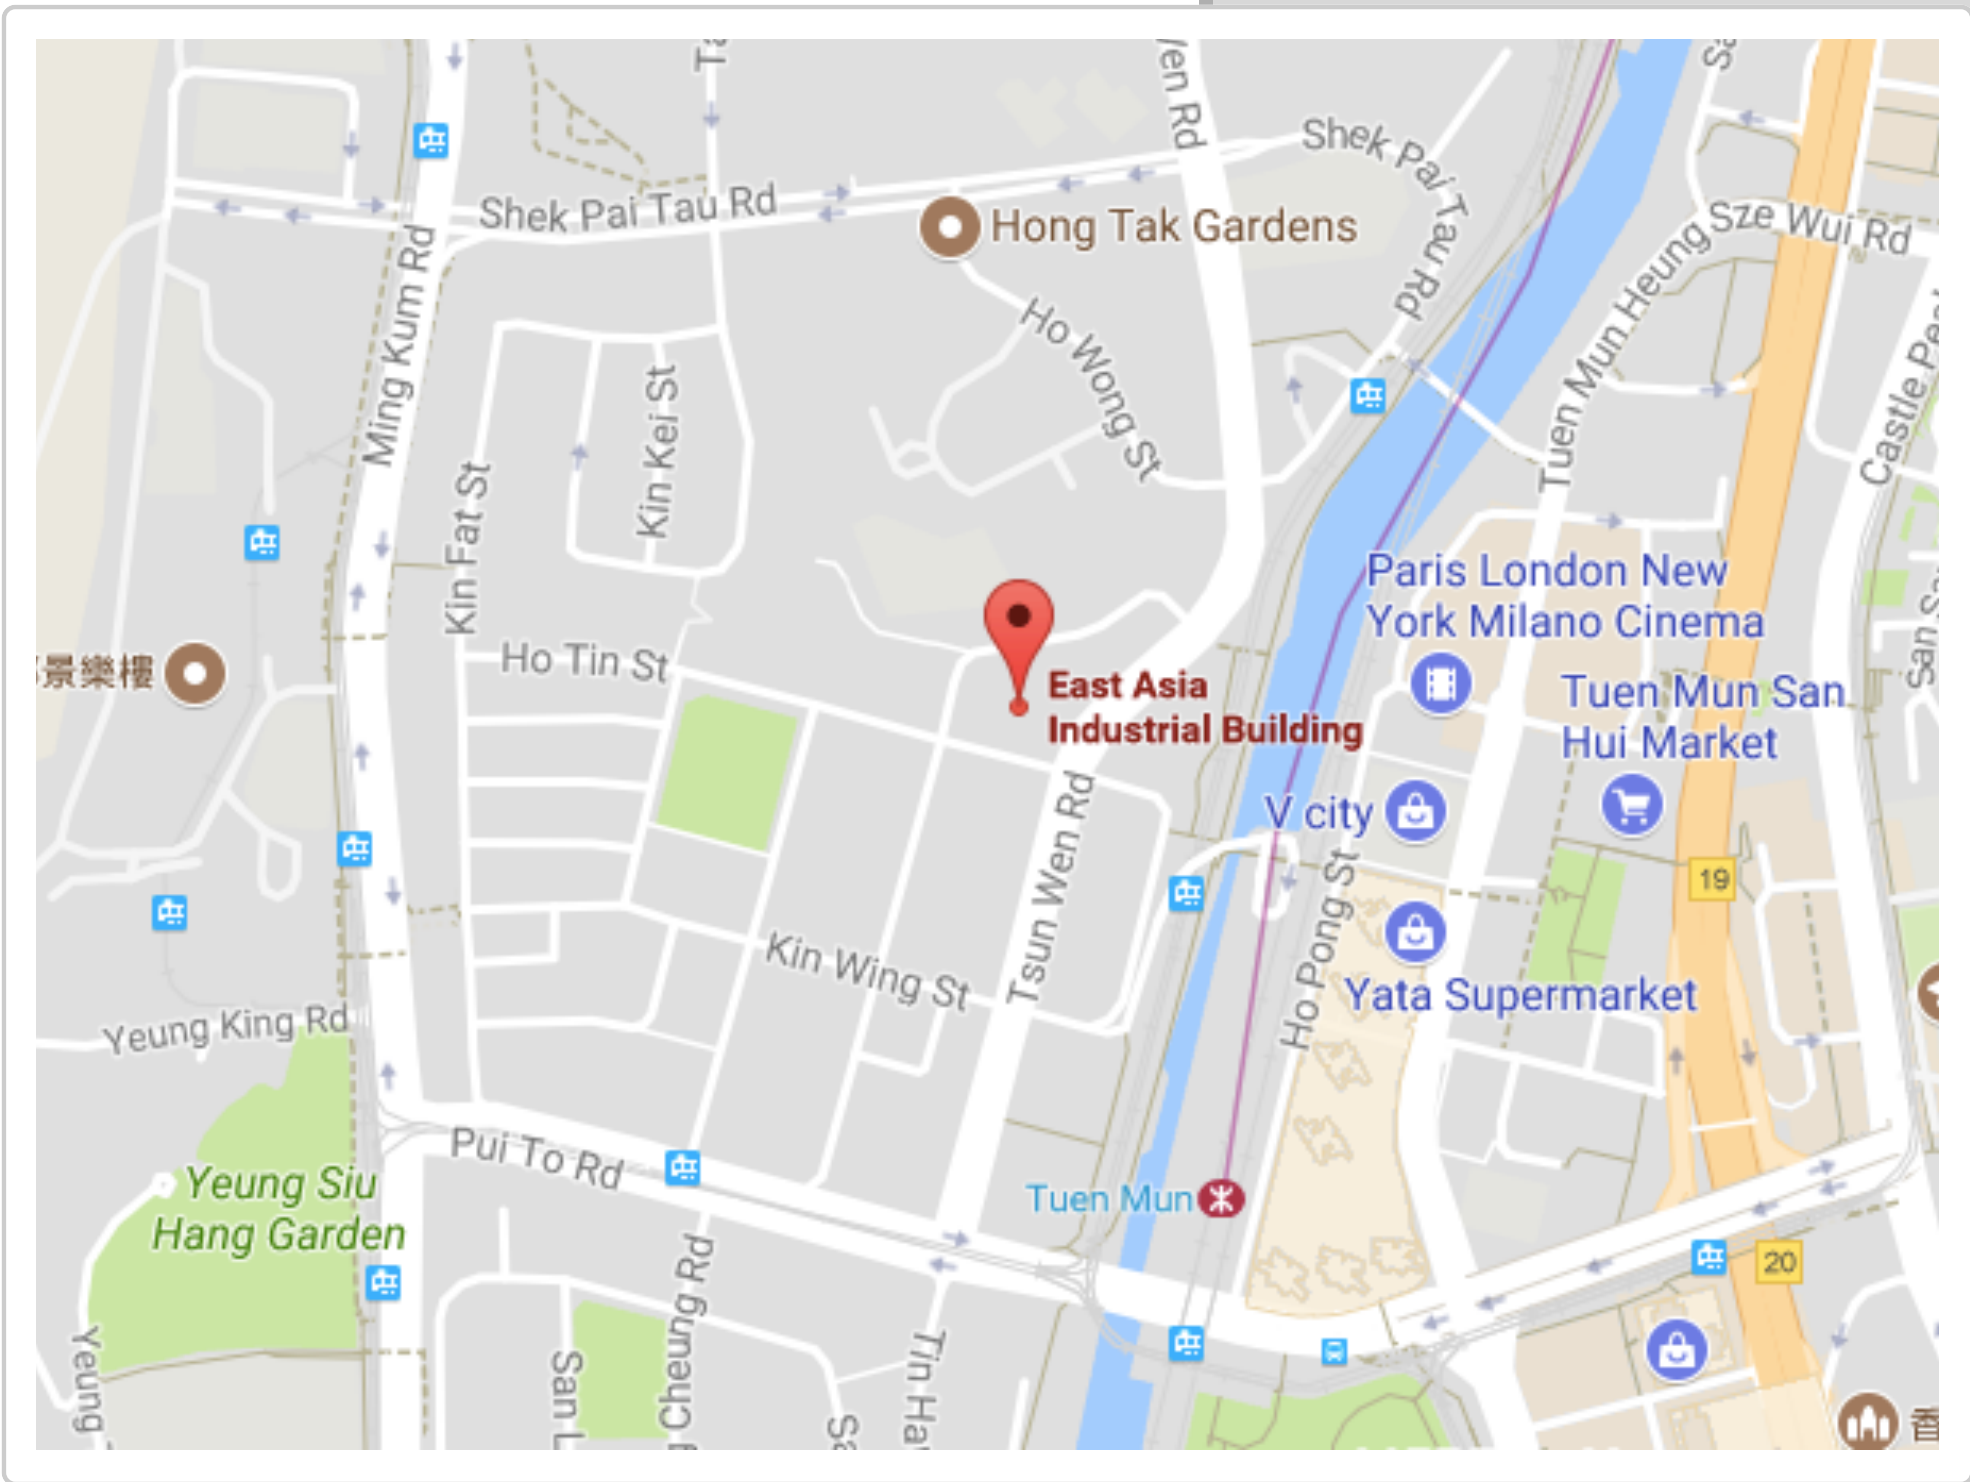

EAST ASIA INDUSTRIAL BUILDING

2 HO TIN STREET, TUEN MUN

New Territories, Hong Kong

Last Update: **11/1/2004**

On-Site Survey: **11/1/2004**

CONTENTS

- 1. Executive Summary
- 2. Company Overview
- 3. Subsidiaries
- 4. Cyber Event History
- 5. Security Hygiene
- 6. Inherited Risk
